

TWO DAY INTENSIVE

MARCH 25 ~ 26, 2016

Phoenix, Arizona

Maria Elena and Jacqueline invite you

SPRING REBIRTHING

What do you want to grow in your heart this year? With an open and grateful heart, infinite possibilities open miraculously with the astrology and the seasons... it is the time for our inner Spring Rebirthing. Everything in life supports it.

2015 was an incredible year of shifting energy on the earth. Old patterns and dense energy structures were broken down. The soil has been tilled. This year brings great opportunity for creating new growth, abundance and joy.

We will reconnect and nourish the seeds that you wish to grow in to reality this year.

Join us for a mini-intensive where we make room for the new growth of Spring. We will emphasize and make more conscious our focus, commitment, clarity and intention for the rest of 2016.

Limited to six participants

Few individuals know the path through life's difficult challenges into the Heart Center and its deepest Grace/Mystery, Unconditional Love. Maria Elena does and at profound levels. Without reservation and with great admiration I recommend her work to the most hesitant beginner as well as to those well along this most wondrous journey of Self knowledge.
