

FIVE DAY INTENSIVE

July 12 - 16, 2017
Phoenix, Arizona

Maria Elena and Jacqueline invite you

True Freedom

Too often, freedom is associated with getting away from something or someone. In reality, True Freedom is embracing your right "to be" yourself in any given situation. It is found by embracing spiritual law rather than human law. For example, if you want to be financially free, you can admit that you already are. If you want to be emotionally free, you can experience the soul's perfection in the present moment. Join us to experience True Freedom and release yourself from the mind sets that bind you.

Few individuals know the path through life's difficult challenges into the Heart Center and its deepest Grace/Mystery, Unconditional Love. Maria Elena does and at profound levels. Without reservation and with great admiration I recommend her work to the most hesitant beginner as well as to those well along this most wondrous journey of Self knowledge.
